RAILWAYS' ORDINANCE FAVORABLY ACTED UPON

Council Takes up Mat- ter of Siding to Pro- posed New Station

SPEND BUSY EVENING

Ordinances and Grievances Occupy Attention of Borough Solons

An ordinance approving the plans of the Pittsburgh Railways company to construct a siding and a "Y" at Sixth street and McKean avenue where the company proposes to erect a freight and passenger station passed first reading at the regular monthly meeting of council Monday evening. The ordinance was presented by the Pittsburgh Railways company, and after its passage at first reading, it was placed in the hands of the ordinance committee. The ordinance will be taken up at some future meeting. This was only one of several matters taken up by council at its meeting. President D. A. Duvall was in the chair and all the councilmen were present as follows: W. R. Gaut, D. R. Hornell, S. A. Michener, J. K. Mitchell, John K. Rickey and Charles W. Weltner.

A committee was present from the Charleroi Business Men's Association to query council about the matter of getting the Pennsylvania Railroad to lay a sidewalk along their McKean avenue property near Fifth street. Council placed the matter in the hands of Borough Solicitor D. M. McCloskey to see what action could be taken, he to report back to council.

The first estimate for the grading and paving of Lincoln avenue from Fifth to Second street was received in favor of John W. Hallam, contractor, and the amount of \$540 was ordered paid to him.

The light committee reported favorably to the matter of locating a light on Meadow avenue between Eighth and Ninth street.

George W. Moody was present to state that the condition of Sixth and Seventh street near Crest avenue was bad. Borough Engineer Harvey Brown was given charge of the matter.

To secure the co-operation of council, John B. Schafer one of the foremost men in the movement for the playgrounds, was present. After he had presented plans for the playgrounds, council took action to the effect that it would share equally with the school board toward the maintenance of the playgrounds.

Carl Corwin was present asking for a sewer on Crest avenue near Eighth street, where he proposes to build a house. This matter was placed in the hands of the borough engineers.

One peculiar grievance was taken up with council by a citizen who resides at 103 Fallowfield avenue. He complained that chickens caused him annoyance by despoiling his lawn. President D. R. Duvall promised the citizen he would personally look after the grievance.

The ordinance committee was instructed to prepare an ordinance for the construction of a wall on one side of Lincoln avenue near Seventh street after the committee to investigate the feasibility of this proposed improve-

ment reported favorably to the plan. Borough Engineer Harvey Brown reported that the Carnegie Coal company had made an effort to prevent oil from leaking through from their tippie but the trouble is not yet repaired. Council instructed Borough Clerk Ira L. Nickeson to write to the company asking them to make further repairs.

In important action to automobile garage owners was taken when council turned over to the engineer with power to act the matter of providing drive ways to garages where desired. This action was taken when D. J. W. Manon requested permission to construct a drive way into his garage on Lincoln avenue.

An ordinance presented by R. C. Mountser granting him permission to construct a railroad siding into his property near Third street along McKean avenue passed one reading. An ordinance calling for the vacation of a portion of First street near the railroad was passed. An ordinance amending the sidewalk ordinance so that henceforth all cement walks constructed will have to be made rough was passed.

Charles Black requested a grade for a sidewalk at his property on Crest avenue near Third street, and Street Commissioner Jacob Hornell was instructed to grade for his sidewalk.

Burgess S. L. Woodward made his report for the month of April, stating that there were during that month 64 arrests made, with \$50 in fines assessed and \$41 collected.

Treasurer R. H. Rush made the following report:
Balance from last report \$11,933.09
Receipts 1,086.08
Total \$13,019.17
Disbursements 3,720.01

Balance in treasury \$9,299.16
Tax Collector J. W. Mathias reported collections for April amounting to \$278.20.

START WORK OF FIXING DIAMOND FOR BASE BALL

On Monday the work of harrowing the Charleroi Governors' baseball grounds preparatory to the rolling of the ground was started. The grounds will be placed in the best possible shape for the opening of the season. Next Tuesday a circus will occupy the baseball grounds, but not in such a way as to despoil them.

President Wreath is leaving nothing undone to make the coming baseball season a good one. He will have his men on hand tomorrow, and he will have continued the work of fixing up the grandstand and other buildings at the ball park.

All over the circuit activity is noticeable. Good ball parks are being provided. At Uniontown, it has been announced that an all steel and concrete stand will be erected by President Fred G. Paige. Players have reported at Clarksburg and at Connellsville in anticipation of the opening of the league season. Both teams have played their first exhibition games.

Schools Close Early.
School work for the day was discontinued at ten o'clock this morning on account of the Jones Brothers and Wilson circus which is showing here.

CIRCUS DRAWS WET DAY IN CHARLEROI

The Jones Bros. and Wilson shows drew rain for theirs today in Charleroi, but this was not allowed to interfere with plans for their two performances. The first performance is being given this afternoon and the second will be given at 8 o'clock this evening.

The first traveling show of the season arrived this morning after 6 o'clock from Donora and proceeded to the unloading of their cars. The show is a "28 car affair packed into 15 cars," according to the announcement which the management of the show makes. Steel cars are owned as the rolling stock. Steel cars for a circus are unusual and above all up-to-date.

The parade was almost lost because

of the rain, but finally it came at 1:30 and people got a glimpse of the show stock and equipment owned by the concern.

There are three big feature acts with the Jones Bros. and Wilson shows. One of them is a lion act that is not to be duplicated in the United States, or in fact in the world. The lions performing in this act are direct from the jungles of Africa. Another is a leopard act given under the direction of Madame Zara, who the press agent states is an Egyptian Princess. Still another act that is featured is that of a father and his two daughters in a hand balancing performance. In this troupe an eight year old girl represents the youngest of eight generations of circus performers.

COMMITTEES NAMED FOR GOOD ROADS DAY

Borough and township committees have been appointed by the central executive committee for the observance of Good Roads Day in Washington county. On the Charleroi borough committee are J. J. Holt, chairman; A. D. Spencer and Walter Byerly. The central committee is composed of County Commissioner R. L. Munce, C. E. Carothers and Rev. C. L. McKee.

The committees of the borough are expected to arrange for a campaign which will result in the sending out of hundreds of volunteers into the country in their vicinity to secure the aid of the city or borough authorities, the local automobiles associations and the various civic and women's societies in their communities.

The Charleroi committee will plan arrangements and later meetings will be called to consider the various phases of the good roads' question. Considerable enthusiasm has been shown here in the movement. Plans are under way for the improvement of the streets and roads in all sections surrounding Charleroi.

CONSTABLES REPORT SOME VIOLATIONS

Constables in Washington county of Charleroi made his quarterly report. Constable J. C. Sargent of East Beulah was asked about illegal liquor selling in his bailiwick, especially about Becco and Newton and confessed that he had visited Becco once in hunting for thieves. The court told him and also Constable A. C. Bush of North Strabane township to keep their eyes open for violations.

BAD CONFLAGRATION AT BENTLEYVILLE

An early Monday morning fire visited a portion of the business section of Bentleyville occupied by foreigners wrecking \$4,000 damage. The fire totally destroyed a vacant store room owned by Mrs. E. N. Dunlap valued at \$250 a four room residence of Tony Carlo valued at \$1,000, two residences owned by Phillip D'Alesandra valued at \$1,000 each and a vacant store room owned by James Clark valued at about \$300. Some insurance was carried.

A fire last fall wiped out several large buildings adjoining the row burned Monday. The fire was discovered in one of the store rooms Prompt work on the part of the scores of volunteer firemen served in checking the flames.

TESS OF THE STORM COUNTRY AT THE COYLE
After viewing "Tess Of the Storm Country," the five part picture with Mary Pickford, that will be shown at the Coyle theatre Thursday and Friday Manager Coyle was convinced that the picture will attract great interest. The play presented is one of the most novel in type, temperament and ideals ever shown. Pathos, humor and displays of the temper and mischievous nature of the girl who has grown up motherless and untortured are pleasingly intermingled.

ELECTING SUPERINTENDENT TODAY AT THE COUNTY SEAT
School directors of Washington county excepting in the districts that have separate district superintendents are meeting today at Washington for the election of a county school superintendent. L. R. Crumrine, president incumbent, E. B. Enoch, of Washington and George R. Norris of Burgettstown are the three candidates.

Arbiters Appointed

Two Are Named on Board to Consider Pittsburg Rail- ways Scale Question

Congressman Stephen G. Porter and Attorney J. C. Gray of Pittsburg have been named as two of the three arbitrators to mediate the differences between the Pittsburgh Railways Company and its employees. The men selected Congressman Porter and the company Mr. Gray. They will select a third arbitrator.

The selections are made in fulfillment of an agreement arrived at last week between the men and the company after a series of conferences. The men want working conditions altered and demand a new wage scale. As soon as the third member is selected the arbitrators will begin their sessions, when both parties to the controversy will appear before them.

CROWDS WILL BE CHASED

North Charleroi Bor- ough to Station Police- man at Bridge

COUNCIL HAS SESSION

Chief among the items of business transacted by the council of North Charleroi at their regular monthly meeting on Monday evening was that of action on the matter of prevention of the collection of crowds and disorderly conducts at the North Charleroi end of the Monessen-Charleroi bridge. Following complaints by several citizens, council decided to have a policeman stationed there on Saturdays and Sunday, the two worst days. Burgess Pierce Franks will have in charge the appointment of a man for the work.

Present at the meeting of council were President Herman Nebulung and Councilmen S. Bane, Elmer Crabb, Elmer Houston, Davis Woodward and John Meyers.

The report of the treasurer was received. It was summarized as follows:
Balance from last report \$111.57
Receipts 247.25
Total \$358.82
Disbursements 222.06

Balance in treasury \$136.73
Bills were received and ordered paid. They amounted in the aggregate to \$232.94.

Several grievances were received from various parts of the town, many of them referring to sewerage matters and some of them relating to the throwing of dirt on the streets.

HIGH SCHOOL CLASS TACKLES LATIN SONG; GETS AWAY WITH IT

For the first time in the history of the Charleroi high school a class tackled a Latin song this morning and got away with it. The title of the piece was "Gaudeamus Igitur"—that is the title of the words was that. Prof. I. T. Daniel wrote the music for the affair. Prof. Daniel rejoices in Welsh nativity. That being the case, the song was a Latin song built on Welsh specifications. The class which sang it was the senior and junior classes of high school taught by Miss Evelyn B. Smith, and the singers numbered about 25.

MEXICO'S REAL ISSUE

There will be no permanent peace
in Mexico until the peon is on land
that belongs to the peon and is pro-
tected in his ownership, says the New
York World.

"The Mexican problem is an agrar-
ian problem. The great mass of peo-
ple are living under feudalism. They
own nothing. A few men own every-
thing. There are great States in
which practically all the land is in
the hands of a dozen proprietors, and
the peasant population lives in semi-
slavery.

"Mexican dictators have been gen-
erous with foreign concessionaries.
They have sold mines and oil rights
and franchises with little restraint.
There are million acre estates in
Mexico for which American and other
foreign proprietors paid less than
10 cents an acre; but there is noth-
ing for the peon. He is systematical-
ly robbed of the fruits of his labor, and
only his rags can he call his own.

"The Constitutionalist movement is
a campaign for peasant proprietor-
ship. That is the meaning of Villa
and Zapata and Carranza and all the
forces that have been battling against
Huerta. That is what the Madero
uprising against Diaz meant, but un-
fortunately Madero was unable to
carry out his promises, and so Huerta
climbed into power over his corpse.

"What is going on in Mexico is a
revolution of the common people
against despotic privilege. When
President Wilson refused to recog-
nize Huerta he stood with the com-
mon people against their oppressors.
In helping to bring about a media-
tion that will restore peace and es-
tablish a really representative gov-
ernment that will do justice to the
peon, the President is still standing
with the common people. That is
where the United States always be-
longed and it will be a sorry day for
this country when its Government de-
liberately takes the other side in such
a quarrel.

"Not since the United States Gov-
ernment under the leadership of
Abraham Lincoln destroyed human
slavery has it undertaken a nobler
mission than the emancipation of the
Mexican masses from a tyranny that
is a little better than slavery."

MIDDLE CLASSES ALSO SUFFER.

The tenement mother is being re-
legated to the background as a subject

for social study. The searchlight of
investigation is now turned upon the
man with the white collar—the salar-
ied bread winner of the middle
class. A parallel between the man in
power of the tenement districts and
the salaried middle class man was re-
cently drawn, says the Chicago Tri-
bune. The middle class man was
worsted in the comparison. His strug-
gle to make ends meet was said to be
keener than that of the laborer who
acknowledges, by the absence of a
starved collar, that his work was
physical and violent, not mental, and
"gentlemanlike." Thus the problem
of poverty, so long exclusively asso-
ciated with the peon of the slums,
is fast moving in the direction of the
middle class man—the married clerk
—the man with the white collar. He
is struggling to keep up a superior
dignity upon an inferior income; the
pay envelope of the skilled working-
man is usually bigger than his and
less of it goes for show.

To remedy this difficulty it has been
suggested that men and women of the
middle class curtail their social aspira-
tions. But this is the wrong remedy.
The mission of the twentieth century
is to breed aspiration. The problem
is to raise the income and standard of
living of both the tenement laborer
and middle class man.

ELECTRIC SPARKS

The report at Vera Cruz is that
Huerta will retire if put on board a
foreign warship at the coast. How-
ever, the public don't care much now
whether they put him on a warship or
put a warship on him.

A Pittsburger named a boy Wood-
row Huerta. If names signify any-
thing, we hate to contemplate the
fate of that kid.

In the Mexican tongue "Oaxaca"
is pronounced Wah-bah-tah. This
however is only another way of get-
ting around a technicality.

Rhode Island has a congressman
by the name of O'Shaughnessy. This
seems to be the open season for gen-
tlemen of that appellation.

Donora has one show day a year.
After that it settles down to wonder
what might happen had it a bridge to
Monessen.

Industry is thriving. But it has to
thrive in the back yard where the old
man is relegated to beat carpet.

Under ordinary circumstances it
takes four terms in congress for a

out making the mistake of trying to
say something.

Although struck by the seeming

The tender departed to return in a

Little Mary was not especially not-
ed for her table manners, so that on
several occasions she had dined on
the kitchen cabiner when there was
company in the house. But the dinner
prepared for the new minister
was entirely too temptin' to be pass-
ed over lightly, so she resorted to
all kinds of promises for the privilege
of coming to the table.

True to her word, Mary was on her
very best behavior, but she did so
want a second piece of cake, and the
plate was over by the minister, en-
tirely out of her reach. After giving
the matter considerable thought she
folded her hands meekly and ex-
claimed:

"Mr. Blair, please pass the cake for
Jesus sake!"

Many people are led to believe that Lung Trouble is a disease which cannot be conquered. This is wrong, as many have fully recovered their health. A change of climate has helped some, but many more have been restored to health by breathing the freshest air, eating well-cooked wholesome food, being temperate in their habits and using the best quality of Eckman's Alternative, a medicine for Throat and Lung Trouble. Investigate this case.

The better I had night sweats, and could not sleep and still I got so weak I could hardly do anything. But at last, James Deering, of Glasgow, Scotland, informed that I had your medicine. In one week's time there was quite an improvement in my condition and after I had taken several bottles I felt as well as ever in my life. I believe that Eckman's Alternative will relieve any case of lung trouble if taken before it becomes chronic. (Signed) A. C. BETTERS WORTH (above abbreviated; more on request). Eckman's Alternative has been proven in many years' test to be most effective for severe Throat and Lung Trouble, Bronchitis, Bronchial Asthma, Stomach Colds and in upbuilding the system. Contains no narcotics, no habit-forming drugs. Ask for booklet of cures of recoveries, and write to Eckman Laboratories, Philadelphia, Pa. for literature. For sale by all leading druggists.

Paris Lingerie

Half Price

These goods got wet in crossing the ocean, through a leakage in the hold of the ship, and the steamship company made an allowance of half their value for the damage.

They are in no wise injured save for a loss of their freshness, which a single laundering will restore.

Under the circumstances, they should prove a most thrilling addition to this store's well known May Undermuslin Event!

LAWYERS URGE FRAZER TO RUN

Many Counties Endorse Pittsburgher For Supreme Bench

HIS CAREER A BRILLIANT ONE

Judge Frazer's Courage, Patience and Fairness in Conducting Famous Graft Trials Won For Him Praise From All Parties and All Classes. His Remarkable Vigor and Close Attention to Duty Result in An Unusual Record For the Dispatch of Business.

Lawyers from practically every section of Pennsylvania have united in urging Judge Robert S. Frazer of Allegheny county as a nonpartisan candidate for justice of the Pennsylvania supreme court at the primaries to be held May 19 and his candidacy has been unanimously endorsed and commended by the members of the bar of fourteen of the state's largest counties.

When Judge Frazer was a candidate for re-election as judge of common pleas court of Allegheny county in 1906 he was endorsed by the Republican, Democratic, Citizen and Lincoln parties and his candidacy received the unqualified approval of the Voters' Civic League, an organization

HON. ROBERT S. FRAZER

of prominent business men, which carefully investigates each candidate for office and fearlessly approves or disapproves according to the merit of the candidate. In its official bulletin the Voters' League paid this splendid tribute to Judge Frazer:

"Judge Frazer, whose re-election is unopposed, has shown himself worthy of the confidence of our citizens, irrespective of party. He is distinguished for the thorough manner in which he investigates the law and the facts of every case before him. He has brought great industry and method to the dispatch of business in his courts. Quiet and unassuming, his fairness and patience in the administration of justice and his unfailing courtesy and close attention have obtained for him the respect and regard of the entire bar. His great ability as a judge is recognized alike by the profession and the people."

Less than three years later the confidence thus reposed in Judge Frazer was splendidly emphasized by the remarkable courage, patience and fairness with which he conducted the famous graft trials. There had been a sudden upheaval in Pittsburgh city councils, with sensational exposures of graft and bribery that involved men of every type.

Judge Frazer presided specially in

criminal court in the graft cases with his usual vigor and within a few weeks had received more than fifty pleas of guilty. Within six weeks the ringleaders had been indicted, had received a fair trial before him and had been convicted and sentenced. Every man tried before him, whether banker or councilman, was convicted and received a prison sentence. The remarkable dispatch with which this sensational series of graft trials was conducted is without parallel in this state.

Unusual vigor has marked the administration of Judge Frazer as president judge of common pleas courts. When the courts were consolidated Jan. 1, 1912, with Judge Frazer at their head, they were 2½ years behind in their work but his splendid executive talent soon made it possible to clear away the delayed litigation until now cases are tried within a year after they are entered.

Judge Frazer was born in Fayette county but spent his boyhood days in Johnstown, where he was educated in the public schools and later at West Chester academy and the Western University of Pennsylvania at Pittsburgh. He studied law and was admitted to the Allegheny county bar in 1873, where he practiced until his election as common pleas judge in 1896. Judge Frazer was a member of the legislature in 1877, 1878 and 1879 and was commissioned president judge of common pleas court No. 2 in 1900, being re-elected by all parties in 1906. He is president of the Allegheny county prison board and vice-president of the Soldiers' and Sailors Memorial Hall commission of Allegheny county.

THIS WOMAN'S SICKNESS

Quickly Yielded To Lydia E. Pinkham's Vegetable Compound.

Baltimore, Md.—"I am more than glad to tell what Lydia E. Pinkham's Vegetable Compound did for me. I suffered dreadful pains and was very irregular. I became alarmed and sent for Lydia E. Pinkham's Vegetable Compound. I took it regularly until I was without a cramp or pain and felt like another person, and it has now been six months since I took any medicine at all. I hope my little note will assist you in helping other women. I now feel perfectly well and in the best of health."—Mrs. AUGUST W. KONDNER, 1632 Hollins Street, Baltimore, Md.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record of being the most successful remedy for female ills we know of, and thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., seem to prove this fact.

For thirty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, tumors, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

RESOLUTION FOR ROADS PASSED BY SCHOOL DIRECTORS

In line with the county movement for good roads, the school directors of Washington county today at their meeting in Washington adopted the following resolutions:

WHEREAS: A movement has been inaugurated and is being supported by the public spirited citizens of Washington county, endorsed by the road supervisors, the courts, the various municipalities and commercial organizations for a "Good Roads Day" on Tuesday, May 26, and

WHEREAS we realize that good roads are essential to the success of our schools, and that the movements for better schools and better roads must go hand in hand, therefore

Be it resolved, that the school directors of Washington county, in convention assembled today, being in sympathy with its purposes, give our hearty endorsement to the movement as individuals, to co-operate with the various township committees and as directors, to help in every way to make Washington county Good Roads Day on May 26, a success.

TRIBUTES PAID TO W. C. T. U. PRESIDENT

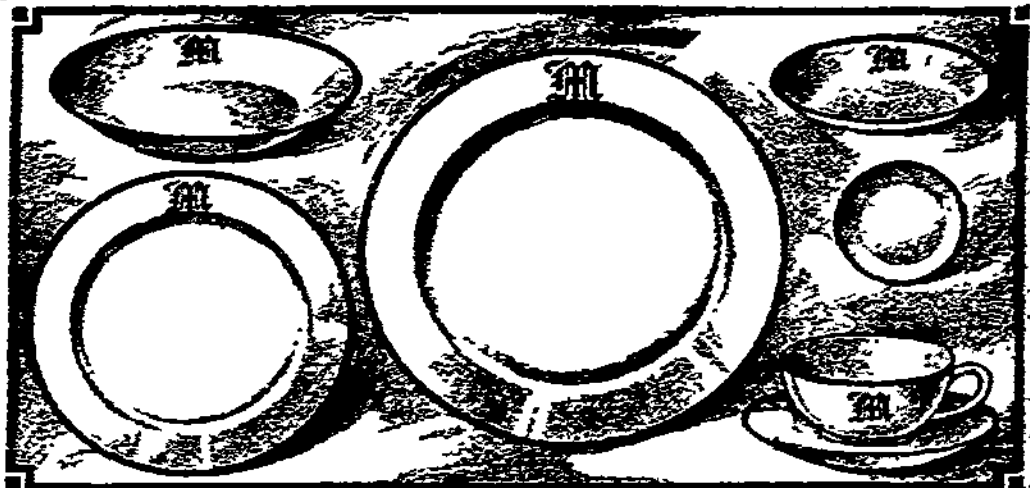

Tributes were paid to the late Mrs. L. M. N. Stephens, former national president of the W. C. T. U. by members of the Charleroi society at their meeting at the Charleroi public library reading rooms on Monday evening. Much interest was manifested by those present. Mrs. Stephens died on April 6.

Several new members were received by the society. The next meeting will be held at the reading room the first Tuesday afternoon in June at 2:30 o'clock.

NO OPEN TRIAL FOR DIVORCE CASE

"We have had some experience with divorce cases of this kind and we are of the opinion that in view of the allegations made in the libel and in the answer, this is such a case as could not be tried in open court before a jury without injury to public morals." This is the statement of Judge Robert W. Irwin in an opinion handed down Monday refusing a jury trial in the divorce case of J. A. Espey against his wife, Mrs. Grace Espey of Canonsburg. Infidelity is the grounds on which the divorce was asked by the husband, and it is understood the charges and the evidence ready to be offered in support of them were of a most sensational character.
